Contents

NUMBER 1, APRIL 1990

1 A computer-system to detect word-similarity
G. J. A. MIDDENDORP, A. HOUWING AND G. W. A. M. VAN DER HEIJDEN

7 Identification of cultivars of cotton by sodium dodecylsulphate polyacrylamide gel electrophoresis (SDS-PAGE) of soluble seed proteins
T. N. RAO, Y. S. NERKAR AND V. D. PATIL

15 Yield comparisons between recently released and older, but contemporary, cultivars of spring wheat
J. L. GELLNER

21 Investigations into reduced germination of seed of naked oats
J. VALENTINE AND O. D. HALE

31 The effect of source of seed on seedlot characteristics and yield potential in spring barley cultivars
E. M. WHITE

43 Seeding rate and row spacing interactions with two irrigated durum cultivars
M. J. OTTMAN, R. O. KUEHL AND A. D. DAY

53 Information note: The FAO 'Quality Declared Seed' system
A. F. KELLY

57 Reviews

NUMBER 2, JULY 1990

63 REVIEW. Barley seed protein and its effects on malting and brewing quality
D. B. SMITH

81 A modified slant board test for vigour testing brassicas
A. C. McCORMAC AND P. D. KEEFE

89 Esterase isoenzyme differences between cultivars of Kentucky bluegrass (*Poa pratensis* L.) from seed extracts using isoelectric focussing
F. VAN DREVEN, G. ESSELINK AND A. HOUWING

99 Origin, taxonomy and ploidy of the millets and minor cereals
M. K. WANOUS

113 A method to assess the performance of varieties of dwarf French beans (*Phaseolus vulgaris* L.) when mechanically harvested
J. C. BROWN

119 Bird-resistant sorghum germplasm in the northern Guinea savanna
C. A. C. OKONKWO AND N. A. KILISHI

NUMBER 3, DECEMBER 1990

127 The history of the Canadian Seed Growers' Association
O. CLAYTON

139 The development of seed certification in England and Wales
A. F. KELLY AND J. D. C. BOWRING

151 The history of seed certification in France
R. SERPETTE

157 Seed certification in the Federal Republic of Germany
H. W. RUTZ

165 Seed certification and quality control in India
P. K. AGRAWAL AND N. S. TUNWAR

173 New Zealand seed certification
J. G. HAMPTON AND D. J. SCOTT

181 The history of seed certification in Sweden
L. KÅHRE

195 The OECD Seed Certification Scheme for subterranean clover and similar species
K. G. BOYCE

201 Author Index
